

**M Series - Power Entry Modules**

**Assembly — Part No. MA100**

Power interconnect assembly for voltage select models of the M series. Simplifies connection of power entry module to power supply. Designed for use with either filtered or unfiltered voltage selection models. 8.5" wire leads.

- Part No. MA101** - Plug Only
- Part No. MA102** - Pins on Strips
- Part No. MA103** - Pins on Reel (7,000 pins)
- Part No. MA104** - Pins Only

**Assembly — Part No. MA400**

Medical safety bracket kit for use with HM models. Bracket allows customer to undergo UL544 abnormal condition testing without removal of fuse(s) in power entry module.

- Part No. MA401** - Bracket Only
- Part No. MA402** - Standoff Only

**Voltage Card — Part No. MA302**

Two-voltage selection capability for use with M series power entry modules. Marked 120V/240V. One MA302 comes standard with two-voltage M series modules.

**Voltage Card — Part No. MA304**

Four-voltage selection capability for use with M series power entry modules. Marked 100V/120V/230V/240V. One MA304 comes standard with four-voltage M series modules.

**Insulating Boot — Part No. MA601**

Plastic shroud to cover back of VM and EFM power entry modules preventing inadvertent access to tracings.

- Part No. MA601** - fits M4S versions
- Part No. MA602** - fits M1S versions
- Part No. MA603** - fits M4 versions
- Part No. MA604** - fits M1 versions

**P Series**

**Assembly — Part No. PA100**

Power connector assembly for voltage select modules of the P series. Simplifies the connection of power entry module to power supply. Designed for use with either filtered or unfiltered modules. Includes 6 inch wires (4).

- Part No. PA101** - Plug Only
- Part No. PA102** - Pins Only
- Part No. PA105** - Same as PA100, except has 2 wires for no voltage selection models

**J Extender — Part No. PA400**

Extends P series module to fit J panel cutout. Cannot be used with B shield.

**L Extender — Part No. PA410**

Extends P series width to fit L panel cutout (use two per module). Unshielded versions only.

**C Extender — Part No. PA420**

Extends P series height by .20"
